

Whiteley Village
A century of caring for the elderly

April 2017

VACANCY

Team Manager – Nursing Care
£32,000 to £35,000 – Family accommodation available
37.5 hours per week (full-time)

THE WHITELEY HOMES TRUST

Registered Charity 1103056
"A Caring Community"

Whiteley Village is a retirement community situated in Walton on Thames, Surrey in 230 acres of beautiful woodlands where our aim is to be the best place to age in Britain. We are looking for a Team Manager for our nursing services at the Trust. These currently consist of a 76 place nursing home for older people that will develop into specialist nursing care from our brand new care hub for 30 older people with complex nursing needs and arranging health care for 600 Villagers, wherever they live in the Village. You will join us at a very exciting time as we firm up our plans to build more housing options across the Village to help more older people.

As the CQC Registered Manager you will be providing a customer focussed experience to people using our services and their families along with managing and supporting a large and highly motivated team of Registered Nurses and Care staff. You will not be alone in doing this. Reporting to the Head of Clinical and Personal Care Services you will work alongside two very experienced Team Managers for Residential Care and Care at Home and our Therapy Team who together you will support people living at Whiteley Village both present and future. It is fair to say there is a lot of support around and lots of our staff tell us that they have a lot of opportunity for development within the Trust.

You will certainly need to have a demonstrable track record of delivering customer focussed, personalised care in a changing environment. You will also need to have strong leadership skills and be solution focussed, proactive and sensitive to the needs of older people.

Family accommodation is available in the village if required.

If you think this role is exciting and you have the necessary attributes then please get in touch with Sue at job.enquiries@whiteleyvillage.org.uk.

An Enhanced DBS check will be required for this role.

Closing Date: Monday 24 April, 2017
