

EVENTS

Set in 225 acres of beautiful Surrey woodland in Walton on Thames, Whiteley Village is not only a thriving charitable retirement community but also lends itself to being able to host your perfect event.

Amongst the 255 almshouse cottages, extra care apartments and Care Hub, the Village offers areas both indoors and out that can accommodate all your needs.

The Village Hall

The spacious Village Hall makes the ideal venue for events including wedding receptions, functions, children's parties, conferences, social clubs and society meetings.

A fully licenced bar is available at your event along with an array of catering options to suit all needs.

The hall has a full-size stage with overhead lighting, PA system, complimentary Wi-Fi and is also fully accessible with ramped access, a hearing loop and disabled parking nearby.

The Village Hall is available to hire 7 days a week from 8am through to midnight.

The Conservatory

Our Conservatory offers a bright and airy space for up to 50 guests sitting adjacent to the delightful outside terrace.

This provides the perfect setting for your private lunch, dinner or wedding reception.

Situated next to our Social Club, you and your guests can make full use of the licensed bar and catering options available to you including our extremely popular Sunday lunch.

This area also makes the ideal choice for training events, meetings and conferences.

It offers complimentary Wi-Fi, a plasma screen and free standing flipchart. Additional AV equipment is available on request.

The Conservatory is available to hire Monday to Saturday.

Facilities within the Village

Additional facilities within the Village include our church, St Marks, that is available for christening's and wedding ceremonies. Our guest house offers overnight accommodation within the Village should you be travelling from a little further afield, and our BBQ and children's play area make a great addition to your event when hiring our Conservatory.

Filming & Other Activities

The Village offers a stunning backdrop for your filming and photographic requests. From family photo shoots amongst our bluebells and daffodils, or filming within our woodlands we can offer it all. Whiteley Village has been the location for many films, TV series and commercials.

As a private estate we can simplify issues such as access and road closures along with ample space for crew parking. Our woodlands and grounds also offer the space for Team Building activities and we work closely with external companies to provide a variety of activities.
