Whiteley Village

A century of caring for the elderly

Team Manager - Residential Care

Hours: Full time. 37.5 hours per week (flexible).

Salary: circa £32,000 PA (depending on experience).

We are Whiteley Village, a vibrant retirement community for around 500 people of limited financial means. Located in 225 acres of beautiful grounds in Walton-on-Thames in Surrey, the Village is just over a century old and is owned and run by a charity, the Whiteley Homes Trust. It is very special place to live and work and probably like nowhere else you've worked before. We are looking for an exceptional leader for our Residential Care facility.

About you:

As the CQC Registered Manager you will be providing a customer focussed experience to people requiring nursing and/or personal care and their families, along with managing and developing a team of care assistants and ancillary staff.

You will have the ability to instil confidence in the service, forming excellent relationships with the people we support, commissioners, family members and the team.

As an experienced manager you will need an excellent knowledge of all legislation relating to social care services. You will lead by example and follow the Trust's Policies and Procedures and all legal requirements.

To succeed you will need a relevant qualification in health and social care at a minimum of level 3 with the commitment to achieve level 4. You will have strong people management skills and the ability to "sell" services with an exceptional customer service ethos.

Please be aware that an enhanced DBS check will be required for this role.

What we offer:

The Trust offers a wide variety of staff benefits, including life assurance, pension, holiday also excellent training and development opportunities.

About us:

This is an exciting time to join the Trust. We have an ambitious development programme underway in the village to support our new model of care; enabling our residents to live as independently as possible. We are firmly focussed on the transition to our new Care Hub, due to open in Spring 2019, which will offer 30 care suites and a range of other facilities.

Sounds interesting?
